

# Enrichment Arts Academy

The Enrichment Arts Academy at Our Lady of Peace School is dedicated to providing more-than-basic after school care. The program is offered after each school day from 2:30-5:30 pm.

Each day when the students come to the cafeteria:

- From 2:30-3:15 they will get a snack, work on homework and play structured games (such as board and card games)
- From 3:15-4:00 they will attend the first class. One group will be preschool and kindergarten students. The other group will be 1<sup>st</sup>-8<sup>th</sup> grade students
- From 4:00-4:45 they will attend the second class. The students will switch subjects.
- From 4:45-5:30 they will do a teacher led activity (such as play in the gym or on the playground). This is also when students will be picked up by parents/guardians.

## Policies

- Students must follow the rules and policies of Our Lady of Peace School and the school Code of Conduct. If a student fails to follow the rules and policies they will face consequences.
- If a student is registered for a class, it is **mandatory** the student attend it. Students cannot choose to skip a class to do another activity.
- Those students not registered for classes but still at the program will participate in a separate activity lead by one of the adult helpers.

## Fees

- Option 1 - Homework help - 2:30-3:15 = \$3/day
- Option 2 - Homework help plus 1 class with instructor - 2:30-4:00 = \$ 5/day
- Option 3 - Homework help plus 2 classes with instructor – 2:30-6:00 = \$10/day
  
- For every ½ hour, after 5:30 that a child is not picked up there will be an additional \$3.00 fee.

On the next few pages you will find the schedule for this quarter as well as the registration sheet. Please consider the Enrichment Arts Academy for your child. It is a safe, educational, and a fun alternative to daycare or a babysitter. If you have any questions, please contact the school office, 330-492-0622.

# Enrichment Program Classes:

## Monday:

**SMASH\* Class:** Mrs. Dentler will be leading 1st-8th graders in the creation of SMASH\* Books. This is the perfect time for the students to be crazy, creative and make something they will never forget! Students will need to bring a SMASH\* Book or scrapbooks in order to participate in this class.

**Movie Day:** While 1st-8th grade is participating in SMASH\* Class, Preschool and Kindergarten students will be watch an age appropriate movie. During this time, students will also have the opportunity to color, draw and be artistic.

## Tuesday:

**Geology:** From Preschool through 8th grade, Mrs. Sikora will lead the students in the discovery of geology and Ohio history. The students will interact with rocks, gems, plants and other majesties from the outdoors.

**Gym/Outdoor Time** Tuesday will be dedicated to doing what kids love best--playing! While one group is attending geology, the other group will take part in some gym/outdoor time. This will include playing with basketballs, volleyballs, hula-hoops, jump ropes, and much more! If weather permits, students will be able to go outside and run around on the playground.

## Wednesday:

**Walsh Buddies:** On Wednesday afternoons, the Walsh University students along with Professor Marko will conduct small group hands-on lessons in several disciplines. All lessons are taught by university teacher candidates, employing best practice and incorporating Ohio Academic Content Standards in their lessons. All lessons are interactive and student centered, modeling a competitive platform for a 21<sup>st</sup> century concept. The lessons are constructed from concepts taught in the students' school day class and will enhance school-home connections. It is our mission to help every child succeed in the classroom one student at a time. With modifying and differentiating lessons in the extended day, we believe we can bridge the gap from the regular day to the extended day offering academic support to help make every child's academic journey a success. The Walsh students will also work one on one with our students to assist them with their homework.

## Thursday:

**Exercise:** On Thursday, Mrs. Mary Leary will be leading out kids in some exercising! Ms. Leary uses technology to deliver workouts that stimulate the students, and get them moving! These workouts will let the students use all their muscles, while keeping the level of vigor to a minimum. This is a class that all ages can attend.

## Friday:

**American Sign Language/Crafts:** On Friday we will again be accompanied by Mrs. Mary Leary. This time she will be leading the students in the making of unique crafts, while incorporating American Sign Language. Students will have an opportunity to bring their crafts home and share with family and friends.
