

HOLY CROSS ACADEMY

Our Lady of Peace Campus

Christ the Servant Parish has a long and proud tradition of supporting its Catholic School, Holy Cross Academy at Our Lady of Peace. Personally, Catholic education, and the application of 21st Century learning skills, has been a mission of mine throughout my career as a priest.

To further this cause, I have recently given a gift of \$20,000.00 to Holy Cross Academy at Our Lady of Peace to establish a 1:1 iPad program for our students. Likewise was able to donate over \$4,000.00 from my anniversary for the science lab. Both the science lab and the iPad program will give our children a 21st Century tool to both organize and further their education.

The program, however, will cost approximately \$40,000.00 + to initially establish. I am asking the parents of Our Lady of Peace and the parishioners of Christ the Servant Parish to please help us match the \$20,000.00 gift. Your participation in this program will be publicly acknowledged in the bulletin.

Thank you for considering this matching gift opportunity. I personally am grateful for having been given the formational and educational foundations at Holy Cross Academy at Our Lady of Peace as a child. The core values of respect, morality, discipline, compassion, self-reliance, responsibility, and high academic standards have guided me through the years. Today we add the core value of technology with a conscience, given the needs of the 21st Century.

Your continued belief in the value of a Catholic education has been and continues to influence the lives of so many. It is an investment with so many returns.

Sincerely,

Msgr. Lewis F. Gaetano, Pastor
