

Mrs. Kris Botti

Dear Parishioners,

In our age of rapid social communication, disseminating information in a timely manner is a constant challenge. One of those events was the recent resignation of Kris Botti, a beloved teacher who has been a true servant for our students for over 16 years. Mrs. Vince and I accepted her resignation, relieving Mrs. Botti of her 2014-2015 teaching contract. Her resignation was of her own choosing.

Mrs. Vince and I believe that our student's best interests are served with minimal transition periods for our children. We believe that a short-term transition period serves the mutual need of Mrs. Botti as well as the administration of Our Lady of Peace School, whose responsibility for our children and their parents remain a priority. At the same time Mrs. Vince and I have respected Mrs. Botti's personal request with as much confidentiality as possible.

During this time of change the commitment to excellence in education and the spiritual formation of our students remains an absolute expectation for our learning community here at Our Lady of Peace School.

Our prayers and best wishes are with Mrs. Botti and her family.

Sincerely,

Rev. Msgr. Lewis F. Gaetano, D. Min.
