

March 10, 2015

Dear Tara,

On behalf of the Northern Ohio Chapter of The Leukemia & Lymphoma Society, congratulations on your completion of the Pennies for Patients program at Our Lady Of Peace School, raising \$1004.47.

We sincerely appreciate the devotion of the students, parents and faculty who participated in **Pennies for Patients** this year. The funds raised will go to research and patient aid in support of our mission to cure leukemia, lymphoma, Hodgkin's disease and myeloma, and improve the quality of life of patients and their families.

Since its inception, The Leukemia & Lymphoma Society has contributed to dramatic increases in survival rates for both childhood and adult blood cancers. Most striking is the increase the survival rate for childhood acute lymphocytic leukemia (ALL) from 3% in 1964 to 88% today. Although these results are promising, new research is needed so that we may continue to advance treatments for all blood cancers.

We hope you and your students found your participation in this year's Pennies for Patients program to be a rewarding experience, and we look forward to working with you and your students again next year. Enclosed please find a program feedback form. We would appreciate any input you can offer to help us improve our program. If you prefer, you can use this link to fill it out online:
<http://bit.ly/MOQMEe>

If you have any questions, please do not hesitate to contact me at 216.264.5740 or kerri.peterson-davis@lls.org.

Sincerely,

Kerri Peterson-Davis
Campaign Manager

P.S. Be on the lookout in May for the *Penny Times* newsletter, which will announce this year's final fundraising total. As the funds continue to come in, updates can be found at www.schoolandyouth.org/noh.

[I AM] APPRECIATED!

The Leukemia & Lymphoma Society
extends a special thank you to

Our Lady Of Peace School

for participating in Pennies for Patients
