

Monsignor's Corner

Greetings

Adjustments are difficult for us all. The reality of the shortage of ministerial priests touches the lives of us all - Our Bishop, our priests and deacons, and most of all our parishioners all throughout the diocese. So we need to keep in our prayers our Holy Father who is aware of the shortage of priests in Europe and in the America's. Our prayer is for the Holy Spirit to continue guiding the leadership of the Church in our day.

As we here at Christ the Servant move into the future - we do so confident that the witness of our community will also continue to be guided by God's Spirit of welcome, generosity, and self giving love.

I have, during the past six growing seasons, been having Mass at 5:30 on Sunday evenings for the Hartville Migrant Community. September 7th is our final Mass for this season.

I will begin then having the four Masses on the weekend for our community , and will continue to welcome all the assistance that you are able to give toward the pastoral care of our parish life .

Certainly I am grateful for all who do so much each day in terms of Time, Talent, and Treasure. You are good stewards of our parish and the continuing renewal of that commitment is one we are all called to, as servants of Christ.

Know that you are in my daily prayer. I also ask a place in yours.

Sincerely in Christ the Servant
Msgr. Lew
